CITY MANAGER'S OFFICE

Dear Mr. Pederson,

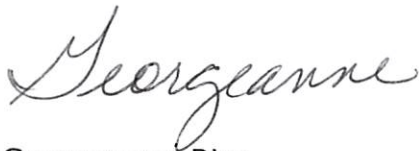

My good friends, Jill Griffith-Riegle and Sue Hudgins, have mentioned that there is an opening on the Library Board and I would be interested. I have lived in Myrtle Beach for almost thirty years, 23 in my house on Burchap Drive. I have many fond memories of visits to the library with my daughter over the years and would like to help in any way to keep it a strong part of our community.

A brief bit of information about me:

I graduated from UNC-Chapel Hill with a bachelor degree in Journalism/Business Marketing. I worked for the American Heart Association, the Red Cross and WNCT-TV before starting my own advertising agency in Greenville, NC. My late husband, Jim Rice, built mini storages all over the Southeast, and after 18 years I sold my advertising agency to handle the marketing for all of our storages. In 2008 I got my real estate license and have been an active realtor in the area since then. After my husband died, I took over the management of the storage we own on Frontage Road, Strand Storage Center. I am a member of First Presbyterian Church, where I am a deacon and circle leader. I have been an active member of the Alexandrian Book Club since 1993, and volunteer at various organizations around town.

Please let me know if there is any additional information I can provide.
I thank you for your consideration.

Sincerely,

Georgeanne Rice

Circle Leader, Samaritan Circle at First Presbyterian Church

Volunteer at Associated Charities, Myrtle Beach Community Kitchen

7052 Birnamwood Court
Myrtle Beach, SC 29579

David Yancey

To the City Council,

I recently learned of an opening on the Chapin Library Advisory Board and would like to respectfully submit my letter of interest for this position. I believe my strong connection to both Myrtle Beach and the work of the library, along with my background, will add value to work of the board. The library is undergoing some big changes in the near future and I believe you will find my background in systems design, project management, budget development, and information technology useful as the new Chapin Library project progresses.

As a native of Myrtle Beach I have called the Grand Strand my home for nearly forty years; my roots are here and my community is here. Additionally, my wife has just begun as the new librarian for Myrtle Beach High School and I would very much appreciate the opportunity to support her field and learn more about the inner workings of the library. In addition to my deep roots in the community, I have a unique skillset as a result of my education and experience. I currently serve as the Assistant Provost for Special Projects at Coastal Carolina University under the Provost and Executive Vice President, Ralph Byington. This role touches numerous operational areas including designing digital systems solutions, policy development, project management, financial and budget management, data analysis, and information technology. Prior to coming to Coastal Carolina University I worked with Starwood Hotels at Sheraton Broadway Plantation, leading a marketing unit so I have experience in hospitality and marketing as well. I have a master's degree in business administration, a bachelor's degree in information systems, and am set to begin my doctorate in organizational leadership in January. I believe my education and experience can be useful as the new Chapin Library project progresses.

As a longtime resident of the Grand Strand, a member of the Coastal Carolina community, being the spouse of Myrtle Beach High's librarian, and the city beginning a major project for the library I feel that this board is an immensely appropriate place to begin giving back to my community in any way I can, and I would very much appreciate the opportunity to do so.

Thank you for your consideration,

David Yancey
Assistant Provost for Special Projects
Coastal Carolina University

7052 Birnamwood Court
Myrtle Beach, SC 29579

David Yancey

Key Qualifications

- Significant experience working with leadership, peers and subordinates in furtherance of strategic initiatives (12+ years)
- Broad involvement working with enterprise-level infrastructure in both public and private sector environments (12+ years)
- Extensive experience working in mixed technology environments including Apple, Unix, Microsoft and proprietary software technologies (15+ years)
- Significant experience collaboratively developing and implementing technology solutions, incorporating input and requirements from all stakeholders (10+ years)
- Formal training analyzing processes and developing technology-based solutions (Six Sigma Greenbelt /Applied Computing)
- Success managing marketing, operations, and customer service teams (5 years)
- Experience effectively working with customers of all levels of technical expertise and authority (10+ years)

Professional Experience

Assistant Provost for Special Projects—Coastal Carolina University, Myrtle Beach, SC
February 2014 - Present

- Manage and oversee large scale, university-wide technology solution implementations. Prior projects include a university website redesign content development for all academic and student affairs units, an enterprise workflow solution implementation, a curriculum management workflow for Faculty Senate, online graduation ticketing, specialized knowledge exchanges and discussion forums, Praxis Portal application implementation, among others.
- Develop and maintain fiscal accountability mechanisms including oversight of annual budget creation for all units that report to the Provost, development of revenue contribution reporting for all academic units, and evaluation and

modification of faculty compensation policies. Analysis and recommendations also included in the CCU budget, \$1MM Osher grant (awarded), and university's Bridge program financial implementation.

- Provide strategy and policy contributions to University operations, including summer study marketing strategy, School of Coastal Environment reorganization, Campus Master Planning, HR hiring processes, IT governance, and University Strategic Plan implementation areas (budget/assessment alignment, unified enrollment management, staffing and capital planning, student excellence benchmarking, grant development and funding).
- Committee work:
 - Request for Proposal (RFP) Selection Committees – Admissions Applicant Vendor, Housing Management Solution, HR Onboarding Solution, Customer Relationship Management [CRM] Solution
 - Academic Governance Committees – Provost Council, Associate Deans Council (ex officio), and consultation work for Academic Affairs, Faculty Development, Graduate Council, Core Curriculum, and Retention Committees
 - Strategic Planning Committee 2016–2021, Financial Stability and Infrastructure Task Force Committee
 - Perceptive Content Enterprise Implementation Steering Committee
 - Faculty and Staff Search Committees – Assistant Registrar for Technology, College of Business Dean, Assistant Provost for Student Success

Assistant Registrar for Technology–Coastal Carolina University, Myrtle Beach, SC▪

March 2009 – February 2014

- Collaboratively developed and implemented a graduation workflow solution yielding a fifty-plus percent reduction in net turn-around time.
- Implemented university-wide scheduling system, automating a previously manual process.
- Developed and implemented university-wide degree audit system for student degree tracking. Responsible for maintaining accuracy and effectiveness through changing requirements while training co-workers to do the same.
- Developed and implemented numerous efficiencies throughout offices across the university.

Marketing Manager–Starwood Vacation Ownership, Myrtle Beach, SC▪

February 2006– January 2009

- Increased production in front line and owner referral departments by 36% and 34% respectively by introduction of key strategies in the areas of staffing, performance management, universe management, and technology infrastructure. Recognized by

the company with a 2006 as well as a 2007 Leadership Excellence award

- Increased staff performance through employee relationship programs which reduced turnover to a company-leading low. Success in staff performance was recognized by the company with a 2007 as well as a 2008 Employee Engagement Best-In-Class Award, which is judged against all managers of Starwood's 140,000 employees.
- Managed multiple business units including marketing, operations and customer service staff members. Management duties included financial analysis, employee training, cost analysis of GL accounts, and production analysis for both staff and locations.

Database/IT Manager-Starwood Vacation Ownership Myrtle Beach, SC
February 2005-January 2009

- Created database management architecture for management and analysis of marketing data, for the purposes of data mining and reporting.
- Maintained operational functionality of dialer server and all related IT equipment. Operated contact center for five years with a company-leading average monthly downtime of ten minutes.
- Developed metrics and reports for performance analysis of both data and staff.

Education

Doctor of Education in Organizational Leadership – USC, Los Angeles, CA ▪ Start Jan, 2018

Master of Business Administration– Coastal Carolina University, Conway, SC ▪ 2012

Graduate Certificate in Applied Computing – Coastal Carolina University, Conway, SC ▪ 2012

Bachelor of Science in Computer Information Systems– USC, Columbia, SC ▪ 2003

July 28, 2018

To the Office of the City Clerk,

I am sending this message to you to indicate my interest in serving on the Chapin Memorial Library Advisory Board. You will find a very abbreviated resume after this letter of interest.

I moved to Myrtle Beach in March 2016 after serving as a professional librarian since 1980. Needless to say, I love libraries and would really like to get more involved with our libraries here in Myrtle Beach. This is an exciting time in the city for library development, and I feel that I can bring years of experience to the Board.

I moved here from Greensboro, North Carolina where I served as the Dean of University Libraries at the University of North Carolina at Greensboro (UNCG). I am now Dean Emerita. It was a very rewarding experience. I am proud of my accomplishments there. I made dramatic enhancements to the Library's spaces including the creation of a new collaborative Learning Commons and Digital Media Commons. I also renovated spaces for Special Collections and University Archives, Electronic Resources and Information Technology and the Music Library.

I have a passion for innovation and at UNCG I created the Librarian Entrepreneurial Conference, the Triad Area Library Association's Paraprofessional Conference and the Innovation and Program Enrichment Grant.

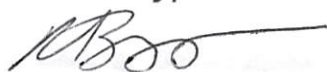

I focused my attentions on improving our services and our environment to make them serve our students' needs. We had over 1.2 million students

using our library annually.

I hope you will take note of my interest in serving on the Library Board. I have a lot of energy and thrive on the excitement that libraries bring to the community.

Thank you for your very kind attention.

Sincerely,

Rosann Bazirjian

To Whom It May Concern:

I am interested in applying for the open seat on the Chapin Memorial Library Advisory Board.

My family and I are very interested in our local library. We use the Chapin Memorial Library constantly. My 11-year-old son is a youth volunteer there and participates in the clubs and activities offered by the library.

I moved to Myrtle Beach 5 ½ years ago. I grew up in Indiana and graduated from Indiana University with a BS in Accounting. After a long career in private enterprise, I currently am semi-retired. I own and operate Hoosier Daddy's State Fair Fare food trailer, which specializes in midwestern fair food at special events around the area.

Please consider my interest in giving back to our wonderful library, and to the City of Myrtle Beach, SC.

Thank you,

Ed Wilmot

Suzanne (Suzie) Rast
745 Murray Ave.
Myrtle Beach, SC 29577
(803) 479-9608

I am a retiree from South Carolina State Government. I was employed with the Department of Revenue for over 20 years serving as their Quality Manager. I moved to the Budget and Control Board's Budget Division and served my final years before retiring as the statewide coordinator, manager, educator and assessor of annually required Agency and Higher Education Accountability Reports.

During my state government tenure I served as both member and Chairperson for the State Government Improvement Network. I also served as the South Carolina Quality Forum's, sponsor of the Governor's Quality Award, Chairperson for over ten years. Most recently I served as a gubernatorial appointee to the South Carolina State Library's Board of Directors serving District 2, until my move to Myrtle Beach in February, 2017.

While having lived in Myrtle Beach for a relatively short time, my husband and I owned a second home here for years and decided to permanently reside here in our retirement. I would like to be involved in the direction of the community and would be excited to be considered to serve on the Chapin Memorial Library Advisory Board. In my capacity with the not-for-profit organizations mentioned above, I managed budgets and administrative processes I would be interested in sharing and utilizing that experience to help further our community.
