

March 13, 2018 - Presented for 1st Reading

2018-13 (1ST READING): ORDINANCE GRANTING A FRANCHISE AGREEMENT FOR OPERATION OF RENTAL BUSINESS OF CONVEYANCES REGULATED BY CHAPTER 12, ARTICLE V OF THE CODE OF ORDINANCES OF MYRTLE BEACH TO DAVID STONE D/B/A GO FAST MOTORSPORTS, SUNSHINE SCOOTERS, LOCATED AT 713 NORTH OCEAN BLVD., MYRTLE BEACH, SC 29577, FOR A PERIOD OF ONE YEAR. THE AGREEMENT INCLUDES ___ VEHICLES.

Applicant/Purpose: Staff/to regulate the # & location of golf cart & moped rental businesses by franchising their operations.

Brief:

- After experiencing several weekends when # of moped/golf cart rentals & conduct of the operators became a serious issue, Council imposed a moratorium on increasing the # of such conveyances.
 - For 2017 the # of mopeds was capped at the # that each company had in service during the summer of 2016.
 - For 2017 the # of golf carts was capped at the # each company had in service for 2016 + the # already ordered at the time the moratorium was imposed.
- Council also directed staff to work out a more permanent solution w/ company owners.
- Ordinance 2017-56, approved 1/9/18 in consultation w/ the business owners, approved the framework of a franchise agreement similar to the system in place for taxicabs.

Issues:

- Franchising allows Council to restrict the # of mopeds & golf carts available for rental, as well as the location of each rental business.
- Under the franchise terms each conveyance will be issued a City "plate" similar to a license plate. These plates would assist law enforcement to track operational violations.
- This proposed ordinance:
 - Sets the location for rental conveyances.
 - Sets the # of rental conveyances allowed/location.
- Agreement is for a 1-year period.

Public Notification:

- Several meetings were held w/ the business owners in order to develop the guidelines included in 2017-56.
- Special advertising guidelines laid out in 2017-56 have been met.

Alternatives:

- Modify proposed ordinance.
- Deny ordinance.

Financial Impact: Annual franchise fee of \$25/plate issued.

Manager's Recommendation:

- I recommend 1st reading.

City Council Initiative: Proposed ordinance is necessary to enhance the safety of our residents & visitors on our roadways.

Attachment(s): Ordinance, franchise agreement, & franchise application.

Explain why you believe that public convenience and necessity requires the granting of this application.

Go Fast Motorsports has been a popular tourist attraction since 2012 and Sunshine Scooters since 2014. Our company has provided the cities millions of tourist a cost effective and fun way to enjoy the beach and explore the city. Moped and golf cart rental is a necessity to the city for many reasons. Rental vehicles per hour offer some of the most fun and least expensive attractions per hourly rate of any attractions in the city, especially compared to thrill rides such as zip lines, sky wheel, ropes courses, go carts, and many other. Moped and golf cart rental allows family to be together and relax as they cruise down Ocean Drive or a convenient way to get to the beach with the kids.

With the continued increase in construction of hotel rooms, high rise condos and time share, we should expect an increase in number of visiting tourists each year. These tourists will bring additional vehicles with them. The option of renting a golf cart allows tourists to leave the car parked, reducing traffic congestion on primary roads, and take the golf cart instead. Also, the increase in expected tourist, more heads on beds should prompt for an increase in the number of golf cart and moped permits being issued.

Last year at the meetings with Mr. Pedersen and officer Lark and discussions with the city, we were allotted 186 total permits as a safe and allowable number to be shared by our 2 locations. This number represented the highest number we were issued in previous years and according to the city, this was a manageable number. This year we are requesting 150 permits, a REDUCTION of 36 units. I would also like to note that at least one major rental company has gone out of business that had over 100 permits. This number of reduction, with all the other consideration should grant for an easy approval of the 150 being requested. The 150 would be for 41 golf carts and 109 mopeds. We normally share vehicles between locations and this number would represent the total between both. If we need to separate these, then I would ask for 10 golf cart and 25 mopeds for Sunshine, and 31 golf carts and 84 mopeds at Go Fast. This number and breakdown corresponds to our demand at each. I would like to state that this number is a SIGNIFICANT reduction from the number that we have had in years past for Memorial Day weekend. In past years we have purchased up to an additional 100 mopeds to handle the demand for spring break and Memorial Day weekend.

Go Fast Motorsports and Sunshine Scooters have been approved rental locations by the city for the last 2 years and have worked hand in hand with the city to help with the transition into decals and now franchising. We have cooperated in every way and have made all adjustments to our policy and procedure to maintain all the new policy the city council has implemented. As a new franchise we will continue to work the city bringing suggestions and improvements to make the overall operation of moped and golf cart rentals an asset to the city and a successful business.

Go Fast Motorsports has between 4 and 5 full time and year-round employees that depend on the continued presence of this company for their livelihood. Go Fast also employs up to an additional 20 full and part time people in the season. We have always strived to provide excellent service, give full education the renters, we have followed all the criteria set forth by the city each year despite its continued and increasing costs to do so. We believe that we are one of if not the biggest and best

company here in Myrtle Beach. We have strived to be an honest and reputable company, paying all its licensing, all sales and other taxes, and being an overall asset to the community. We believe that a tourist city that depends on tourism as its main source of revenue should always look to expand and increase all the activities that go along with the tourists. We are hoping that city council also recognizes us for that and grants all franchises and permits that are now needed.

My employees thank you as do I

Sincerely David Stone
