Brief:

- After experiencing several weekends when # of moped/golf cart rentals & conduct of the operators became a serious issue, Council imposed a moratorium on increasing the # of such conveyances.
 - o For 2017 the # of mopeds was capped at the # that each company had in service during the summer of 2016.
 - For 2017 the # of golf carts was capped at the # each company had in service for 2016 + the # already ordered at the time the moratorium was imposed.
- Council also directed staff to work out a more permanent solution w/ company owners.
- Ordinance 2017-56, approved 1/9/18 in consultation w/ the business owners, approved the framework of a franchise agreement similar to the system in place for taxicabs.

<u>lssues:</u>

- Franchising allows Council to restrict the # of mopeds & golf carts available for rental, as well as the location of each rental business.
- Under the franchise terms each conveyance will be issued a City "plate" similar to a license plate. These plates would assist law enforcement to track operational violations.
- This proposed ordinance:
 - Sets the location for rental conveyances.
 - Sets the # of rental conveyances allowed/location.
- Agreement is for a 1-year period.

34

Public Notification:

- Several meetings were held w/ the business owners in order to develop the guidelines included in 2017-56.
- Special advertising guidelines laid out in 2017-56 have been met.

No rental conveyance shall be offered for rent by a rental company except for the vehicles approved for the specific locations <u>the business identifies in</u> the franchise. All vehicles offered for rent under this Division must meet the specifications under state law, be equipped as required by state law, and must be properly labeled under

state law. Should a conflict arise between application of state law and requirements contained herein, state law shall prevail.

Franchise and license required; franchise fee; transfer of franchise.

- a) It shall be unlawful to rent, or offer to rent a conveyance as identified herein within the city right-of-way without first obtaining a franchise and business license therefor.
- b) A nonexclusive franchise for not more than one year, <u>commencing not later</u> than March 1 of every year, may be granted for the operation of each rental location specified by city council. Notice of availability and nature of the franchises shall be given by conspicuously posting at least one notice at the proposed location. At least one such notice shall be visible from each public thoroughfare that is within 100 feet of the proposed location. Such notice shall be posted 10 days prior to the public hearing.
- c) An annual franchise fee of \$25 per vehicle per location shall be paid before they are placed in service. One business license for each franchisee shall be required at the applicable rate pursuant to Article II of this chapter.
- d) "Plates" are transferable from one approved franchise holder to another, upon approval of the City Manager or designee.
- e) Evidence of the award of each franchise would be a numbered "plate" identifier similar in size to a license plate which would be fixed to the back of each vehicle in an easily visible location. Such identifiers shall be furnished by the City.
- f) After the initial award of moped/golf cart franchises are made, any increase beyond the total number of conveyances approved initially will require approval by City Council. Applicants must demonstrate that the additional conveyances will not significantly impact traffic congestion or public safety, and are justified under public convenience and necessity considerations as with other vehicles for hire.
- g) After the initial awards are made, new franchise requests will require a specific finding and approval of City Council. New applicants must demonstrate that the additional conveyances will not significantly impact traffic congestion or public safety.
- h) After the initial award are made, applications for new locations for existing businesses will require City Council approval. Applicants must demonstrate that the proposed new locations are consistent with all zoning restrictions; will not significantly impact traffic congestion or public safety; and will not negatively affect other businesses located on the same block.

Application to Police Department for franchise.

The application to the Police Department for a rental franchise shall include the following information:

- a) The name, home and business address of the applicant, and the name and address of the owner, if other than the applicant, of the vehicle to be used in the operation of the rental business.
- b) The names of the persons managing, supervising or conducting the applicant's business in any places proposed to carry on business; the addresses of such persons; the driver's license number of such persons; the capacity in which such persons will act, that is, whether as proprietor, agent or otherwise; the name and address of the person, firm or

- corporation for whose account the business will be carried on, if any; and if a corporation, the state of incorporation.
- c) Upon receipt of such application for a permit, the local law enforcement agency shall cause an investigation of such person's business and personal background to be made. Such investigation shall be limited to information pertinent to the purpose of this chapter. If, as a result of the investigation, the background is found to be unsatisfactory, the franchise shall be denied. The franchise shall be denied or issued within thirty days from the date of application. The permit issued under this chapter shall be valid for a period of one year from the date issued.
- d) The proposed location of the rental station for which a franchise is sought.
- e) A description, including all specifications and equipment provided to the renter, and of the vehicle proposed to be used.
- f) The names, addresses and percentage of stock owned by shareholders in a corporate applicant, and the percentage interest of each partner in a partnership applicant.
- g) A certificate of public liability insurance with a limit of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate.
- h) The city shall be named as an additional insured under the public liability insurance policy.
- i) The insurance policies shall be endorsed to state that coverage shall not be changed or cancelled except after 30 days prior written notice (including by email)
- j) Prior to the issuance of a franchise, and at all times while the permit is in effect, the applicant shall maintain on file with the Police Department a certificate of insurance showing evidence of the required coverage limits and naming the city as additional insured.
- k) If the insurance policies issued to the rental company are cancelled for any reason, the franchise is automatically suspended. To reinstate the permit, the rental company shall provide new certificates of insurance to the city.
- l) Proof of insurance for each vehicle as may be required by state law.
- m) Such other information as the applicant may choose or as may be requested by the city council to demonstrate that the applicant has the financial ability to perform the conditions of a franchise.

- a) The franchise required may be granted by ordinance in accordance with a showing approved by City Council, after notice and a public hearing on the issuance of the franchise. The grant or denial shall be by public vote within 45 days of said hearing, to include the date of hearing. Any franchise granted pursuant to this article shall be subject to modification by ordinance at any time deemed necessary by the city council for protection of public health, safety and welfare. Any franchise shall be granted as a privilege and not as a matter of right. Franchises shall not be issued after March 1 of every year, except upon a finding by City Council of public convenience and necessity.
- b) In determining the acceptability of an application, the city council may consider any factors presented in the application, at a public hearing, or in any staff report or investigation of matters related to the past record and

ability of the applicant to perform conditions of this division and the franchise agreement in a manner that serves the public interests. Not later than 30 days after the filing of a completed application for a

Operating requirements.

- a) The rental company shall only accept vehicles at and return vehicles to the approved rental station locations for which it has a franchise. Dimensions of drop-off and return locations and appropriate marking and signage of rental stations <u>may</u> be determined by the City Manager or designee, <u>should public travel be negatively impacted</u>. The rental company shall reimburse the city for any and all costs of marking the pavement designating the franchise area.
- b) The rental company shall post in a conspicuous location at the rental station the location number assigned to it by the city. The location number and franchise shall be on file and available for inspection in the office of the business license division.
- c) The rental company <u>renting mopeds</u> shall make available to each renter and passengers a safety helmet appropriate for the use.
- d) The rental company shall offer to rent only those vehicles that are in all respects in good operating condition and fully equipped as required by state and federal law.
- e) The rental company shall not authorize the renter of a vehicle to permit another person to operate the vehicle, unless the person is also listed as a renter and has complied with the provisions of this division.
- f) The rental company shall be responsible for paying all towing costs and associated storage fees, incurred by its rental vehicles. The city shall send to the rental company every week a list of parking citations, fees and/or fines incurred by its rental units. The rental company shall provide the City with the contact information associated with such citations, fees and fines within seven days after receipt of the list of citations, fees and fines incurred by its rental units.

Advertising.

No advertising shall be permitted on any moped or at any rental station except to identify the name and contact information of the franchise holder.

Renewal of franchise.

All franchises granted under this division are valid for the entire franchise period unless revoked or suspended prior to expiration. An application to renew a franchise shall be made not later than 60 days before the expiration of the current franchise.

- d) Conduct which is contrary to the provisions of this division or the franchise.
- e) Failure to use the franchise fully in accordance with its terms within 90 days after notice of the grant of franchise, or within 15 days after notice of non-use, during the term of the franchise.
- f) Failure to qualify for a business license or determination that any condition exists in denial, suspension or revocation.
- g) A determination that the applicant is not able or qualified, by reason of background, medical limitations, financial condition or conditions related to the rental business, to render acceptable service to the public pursuant to this division.
- h) A determination that a more qualified applicant for the same location will accept a franchise.
- i) A determination that no franchise should be granted to any applicant and that a location should be removed from the approved franchise list.
- j) Any franchise granted under this division may be temporarily suspended by the Police Chief/designee for a two-hour period if, at the sole discretion of the Police Chief/designee the continued operation of rental businesses represents a traffic or public safety concern, under the standards of Chapter 19, Article VII. The duration of this temporary suspension may be extended or modified for an additional two hours, subject to immediate appeal to the City Manager or his designee's.

Indemnification.

 The franchisee agrees to indemnify, hold harmless, release and defend (even if the allegations are false, fraudulent, or groundless), the city, its officers and employees, from any and all liability, loss, suits, claims, damages, costs, judgments, and expenses (including attorney's fees and costs of litigation) which in whole or in part result from, or arise out of:

If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, Entity Classification Election. See Form 8832 and its instructions for additional information.
