CONSENT AGENDA – The Consent Agenda covers items anticipated to be routine in nature. Any Councilmember may ask that an item be moved from the Consent Agenda to the Regular Agenda for lengthier discussion, or a member of the public may request that such an item be moved. Items remaining on the Consent Agenda will be briefly described by staff, and may be passed as a group with the APPROVAL OF THE AGENDA.

<u>Note</u>: City laws are known as ordinances. Before a City ordinance can be enacted it must be introduced (1st Reading), & then approved (2nd reading).

Resolutions are normally actions through which City Council reinforces or makes policy not rising to the level of law. Motions are generally related to direction from City Council to City staff to take certain actions.

CONSENT AGENDA

REGULAR AGENDA

2nd Reading <u>Ordinance 2020-37</u> providing for the issuance and sale of not exceeding \$5,500,000 General Obligation Bonds, Series 2020A, of the City of Myrtle Beach, South Carolina; fixing the form and details of the bonds; authorizing the City Manager to determine certain matters relating to the bonds; providing for the payment of the bonds and the disposition of the proceeds thereof; and other matters relating thereto.

These general obligation bonds will be issued to finance a new solid waste transfer station. The current transfer station uses a mechanical compactor that frequently malfunctions. The new station will be a top-loading station that does not include a compactor. At times repairs to the station have limited the City's ability to accept waste materials, and required staff to stockpile certain materials on site. The new site will also include a composting area as well as a convenience center. Construction of this facility is anticipated to begin in December.

Motion M2020-109 to authorize the City Manager or his designee to enter into a five-year Participation Agreement (MOA) with the Washington/Baltimore High Intensity Drug Trafficking Area for the purpose of allowing the City's use of the Overdose Detection Mapping Application Program (ODMAP) managed by that agency.

MBPD and many other law enforcement agencies in South Carolina and other states are fortunate to be supported by the High Intensity Drug Trafficking Areas task force. That agency's web-based Overdose Detection Mapping Application Program (ODMAP) allows our staff to report fatal and non-fatal overdose incidents, and post these locations on an interactive map for analytical purposes. ODMAP has been an effective tool for law enforcement to assist in developing strategies to address overdose incidents and to help prevent the resulting spread of substance use disorders. There is no fee for this service.
