I am volunteering for a position on the Myrtle Beach City Seniors Advisory Committee.

I am 64 years old and have lived in Myrtle Beach since July 2016.

In 2015 I retired from the Social Security Administration with 36 years of public service. I began my career as a Claims Representative then held various management positions in local SSA offices. I was also the manager of a SSA National 800 Number Call Center. My last position was as Area Administrative Assistant to the Area Director.

During my career I worked with folks from all walks of life. At SSA everyone who lives in this country can and will contact SSA for assistance. Using a diplomatic, compassionate approach I was able to help countless folks during their time of need. As a manager I lead my management team to provide top notch compassionate public service. Our goal was to help everyone navigate the system. We worked tirelessly to put a friendly, helpful face on government while protecting everyone's rights.

I'm interested in working with the Seniors Advisory Committee because I want to help make Myrtle Beach a place where Seniors live full, productive and rich lives. I have over 36 years of experience working with teams and committees developing relationships and successfully accomplishing goals. I bring this experience with me to the Seniors Advisory Committee to achieve a common goal of enhancing the lives of all Myrtle Beach Seniors.

Since moving to Myrtle Beach, I have volunteered with the local Red Cross and I am a member of my Home Owner's Association Board of Directors.

Please accept my letter of interest for the Seniors Advisory Committee. I look forward to hearing from the City. I can be reached anytime by phone or email.

Thank you for your consideration,

Barb Perian
