Hi Jennifer,

I'd like to participate on the Bike and Pedestrian committee, if there is an opening available.

Though I grew up in the city limits of Myrtle Beach, I've lived just outside the city limits in the Plantation Point area the last 10 years. That changes next week when we will be closing on a new home within the city. In fact, our new home backs up to Perrin's Path(The Preserve at Pine Lakes)

My brief resume:

I worked in hotels and restaurants through school, and have been A Realtor since 1999.

- Myrtle Beach High Class of 88.
- Studied Marketing at Coastal Carolina
- Leadership Grand Strand Class 27
- MB Chamber of Commerce small business committee, member -2007
- Board member of Boys & Girls Club of the Grand Strand 2004-2009(Board chair 2006/7)
- Myrtle Beach Citizen's Police Academy Class #29
- Horry County Citizen's Police Academy Class #2

Please let me know if there is a position available. And if so, what additional info I can provide to you.

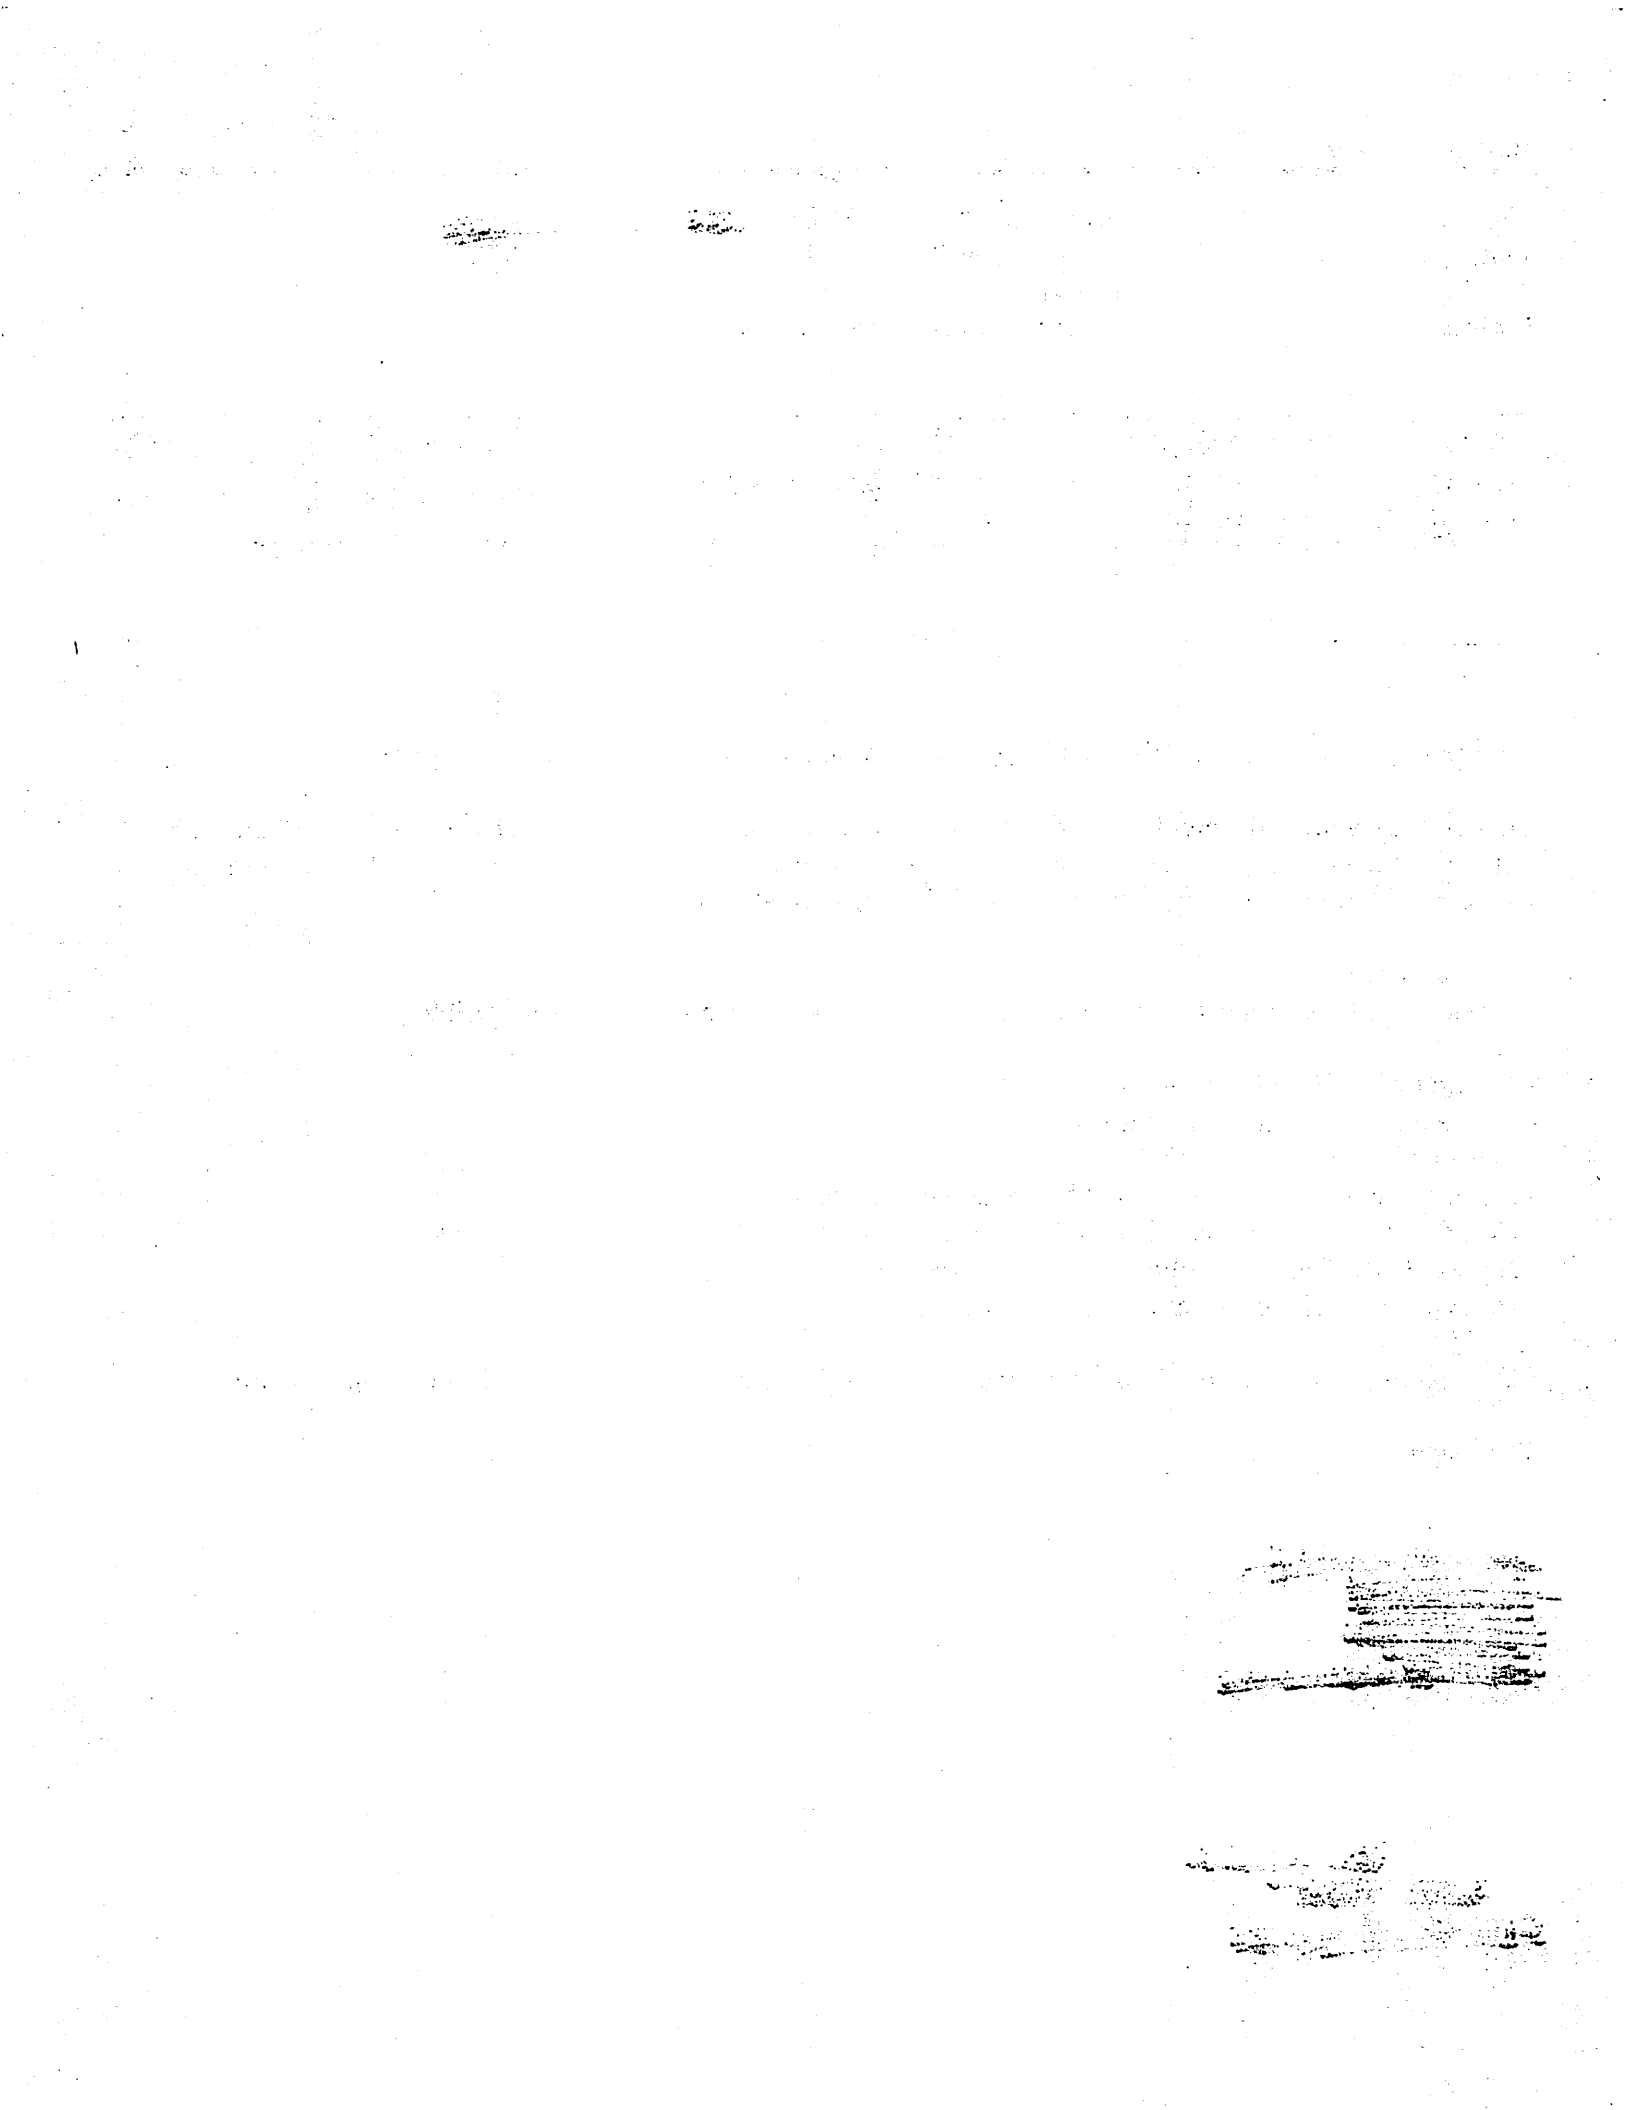

Thank you!

Tim Fortson

-----  
I am very interested in serving on the bicycle/pedestrian committee. I am out walking A LOT and will be purchasing a tricycle ( probably an e-trike) to ride around the neighborhood for errands. I have some ideas and concerns about the peaceful and safe coexistence of bicycles, ebikes and pedestrians, as well as safety concerns as the population density increases. I am especially interested in how the issue of the various ebikes will be handled in regard to multi use trails. Some are much more powerful than others and I feel that this issue needs to be addressed sooner rather than later.

I will be out of town working from October through the end of January. ( I work once each year in various remote critical access hospitals) but other than that am pretty much retired. Myrtle Beach is my home and has been for the past 11 years.

Please let me know if I can help.

Cynthia Valentine
