Dear jadkins –

I am quite interested in serving on the Myrtle Beach Bicycle and Pedestrian Committee, or the Planning Commission, with the objective of helping transform Myrtle Beach into a bike friendly city.

I have been a resident of Myrtle Beach for six months and have experienced local biking conditions from the superb new Carolina Bays Parkway Trail, to the harrowing conditions of River Oaks Drive and US 501 and points in between. I have ideas, limited only, perhaps, by the availability of funds. I'd like to put them to work for the City.

I have over 20 years experience organizing and leading bicycling groups as a member and officer of biking / sports clubs. My emphasis has been on the development of group bicycling safety programs and training. I have been party to the evolution of an extensive intercity bike system in Sacramento, CA which has become a jewel of the city. I am well in tune with conditions which promote safe bicycling on roads, streets, and trails and those which do not. I have scars to prove it.

I was the owner of Applied Ergonomics, a successful office design and furnishing business in Sacramento CA servicing Federal Agencies in the central valley of California for 20 years. I closed the business to devote my efforts to serious bicycling and winter sports.

I served in the US Army for 21 years in positions of progressive responsibility encompassing Airborne Operations, Special Forces ("green beret"), Logistics Management, and Comptroller - Resources Management, retiring as a Lieutenant Colonel.

I look forward to your response. Thank you for your consideration.

Pete

Greetings, Ms. Adkins:

I have been following with keen interest the work of the Bicycle and Pedestrian Advisory Committee. Committee member, Matt O'Toole, and Planner, Kelly Mezzapelle, suggested that I forward you my resume and this letter expressing interest in appointment to the committee.

I am a lifetime cyclist working in the cycling tourism industry. I have benefitted from the many advances in bicycle and pedestrian planning and infrastructure that have occurred in my lifetime, and I have been the victim of accidents that could have been avoided by better safety infrastructure. I was once struck by a car resulting in two broken vertebrae. Currently, I ride my bicycle in various states around the country for my work with Ends Cycling, and I ride about 200 miles per week in and around Myrtle Beach when I am home.

I would be honored to serve on the Bicycle and Pedestrian Advisory Committee if appointed.

Best regards,
Dave

Dave Wehrle
Outreach Tour Coordinator

Ends Cycling is proud to be a ministry of New International. We give people who want to change the world opportunities to use cycling to bring the hope of the Gospel to global youth through multi-day, Christ-centered, bicycling tours. Pray Pedal Repeat ®

PROFESSIONAL PROFILE

I live to share the good news of Jesus Christ. I am passionate about the Bible, preaching, teaching, worship, mission, and cycling. I love people; all kinds of people. I love God's amazing creation. I have a broad background that includes serious experience in the marketplace, in student work, in overseas mission, in church planting and established churches, and in multi-staff and solo-pastor settings. My education has focused on Russian, music, missiology/anthropology, Bible, theology, leadership, and preaching. I also have workplace-acquired and proven skills in IT, web, and worship technology. I have helped launch new parachurch ministries in the Soviet Union and Russia, plant new churches in North Carolina, and turn around churches in New Jersey.

WORK EXPERIENCE

OUTREACH TOUR COORDINATOR

Ends of the Earth Cycling / Ft. Myers, FL / 2020 – present

An active bicycling community impacting youth globally, Ends Cycling gives people who want to change the world opportunities to use cycling to bring the hope of the gospel to global youth through multi-day, Christ-centered bicycling tours.

SENIOR PASTOR

Leonia United Methodist Church / Leonia, NJ /
2011 – 2019

Leonia Church is a multi-staff, turn-around church located in a multi-ethnic/white-minority suburb of the Greater NYC metropolitan area. Produced new professions of faith each year.

- Grew worship attendance and number of worship opportunities.
- Led the church from endowment-dependence to fully-funded ministry and fully-paid apportionments.
- Started new, creative ministry including a youth center that serves over 100 middle-school students each Friday.
- Created web, social media, and live-streaming presence.

CIRCUIT ELDER

Greater New Jersey Annual Conference / New Jersey /
2015 – 2018

Three Circuit Elders assist each District Superintendent in the Annual Conference in addition to serving their pastoral appointment.

- Coached/mentored six to ten pastors.
- Organized and led multiple PaCE groups (small groups for professional development of pastors).
- Presided at Charge/Church Conferences.
- Managed ¶1213 studies, mergers, and closures of multiple churches.
- Provided content and instruction at district training events.

WORK EXPERIENCE CONT.

NEW CHURCH START PASTOR

TRINITY United Methodist Church / Cleveland Twp, NC /
2008 – 2011

TRINITY was a “parachute-drop” church plant in the North Carolina Annual Conference that launched in 2009.

- Recruited church planting team and raised financial and prayer support for launch.
- Created simple discipleship process focused on effective outreach into the community, a small group system, culturally relevant worship, and children’s and youth programs.
- Preached relevant Biblically-based sermons weekly.
- Led all aspects of worship including music.
- Established and coached leadership team and hired staff.

BEESON PASTOR

Asbury Theological Seminary / Wilmore, KY / 2007 – 2008

Selected by Asbury Theological Seminary and appointed by bishop to participate in the in-resident program of the Beeson International Center for Biblical Preaching and Church Leadership.

- Completed all DMin coursework.
- Participated in multiple professional development conferences.
- Preached throughout Romania.
- Investigated, first-hand, ministry models in Houston, Romania and Korea.

PASTOR

First United Methodist Church / Mount Ephraim, NJ /
2002 – 2007

First Church was a solo-pastor, turn-around church in the suburbs of Camden/Philadelphia.

- Started a new, contemporary worship service that doubled church worship attendance.
- Moved the church from endowment-dependence to fully-funded ministry and fully-paid apportionments.
- Implemented effective single-board church leadership.

Attached please find my letter of intent for a seat on this committee.

Thank you,
Missy DiMauro

March 1, 2021

Good Morning. My name is Margaret "Missy" DiMauro and I am interested in filling one of the vacancies on the City of Myrtle Beach's Bicycle and Pedestrian Committee. I have lived in the area since 2007 and recently relocated to the Old Pine Lakes area of Myrtle Beach. A few of the main reasons for moving was for area's ease of bikeability and proximity to the beach. My husband and I are avid cyclists. We enjoy the convenience of biking from our house to have dinner at Market Common as well as simply exploring the city. We have biked hundreds of miles around town while taking part in lighting up our bikes with Christmas lights and caroling to participating in the Special Olympics' Polar Bear Plunge near Lake Arrowhead Road and points everywhere in between. Countless hours in a labor of love have been spent bringing the Andre S. Pope MTB Skills Park to fruition.

We like to take part in small amounts of bike tourism. We have travelled around many places on and with our bicycles; St Petersburg, FL, St Augustine, FL, Tybee Island, GA, Jekyll Island, GA to name a few. It's always fun to see what steps tourist towns take to make their towns more biker friendly. Visitors and locals alike discover hidden gems and create wonderful memories on the off beaten paths around towns and bike tourism continues to grow in the process.

Over the years, my time spent volunteering has varied from Parish Council at our parish in NJ to homeroom mother and PTO chair (St. Andrew Catholic School, Carolina Forest High School, Myrtle Beach High School). I've volunteered at the MB Pelicans' baseball stadium from 2011-2017 and rose to a supervisor position overseeing other volunteers in the 3rd Base Grille. I was past Financial Secretary and active member of Blue Star Mothers of Coastal Carolina.

My husband and I have been married for 29 years and have raised two children. Our son is active duty United States Coast Guard stationed in NJ and our daughter is a senior studying at Anderson University. I have been a substitute teacher for Horry County Schools since 2018.

Thank you for your consideration for placing me in one of the seats on this committee. I feel I can be an asset to any entity interested in putting both bicycle and pedestrian safety and tourism into discussion. You can find me actively bicycling around town and I'm consciously aware of surroundings and can easily be taking note of things where attention might be needed.

Respectfully submitted,

Margaret "Missy" DiMauro

Myrtle Beach, SC 29577

Hi Jennifer,

My name is Fabian Boyzo, and I'm interested in filling one of the vacant spots in the bike and pedestrian committee. I have been involved with the local bicycle community since 2016. I have been riding bikes since 2012. My journey started in Chicago, IL and I have a lot of experience riding in cities with really awesome bicycle infrastructure and I feel I can contribute to the City of Myrtle Beach. I currently work at Pee Dee Bicycle Company as a Service Advisor. I'm also the Team Director for local NICA youth team Horry County Composite. I would love to help our community out in any way possible. Hope to hear back from you soon.

Thank you and have a great day!

-Fabian Boyzo

CAUTION: This email originated from outside your organization. Exercise caution when opening unsolicited attachments or clicking links. Please forward suspicious mail to spam@cityofmyrtlebeach.com for review.

I am not sure if the seat is still available but if so, I would like to be considered.

As far as a resumé I don't think that me owning a roofing company that worked in 7 states and specialized in historic restoration is valid. I sold it and retired once I found out that I had cancer.

What is important is that I have been actively cycling in the area for almost 4 years now. I started after my remission from Stage 4 Lymphoma.

I removed quite a few tabs from lights for the city (ask Kelly Mezzapelle). I am also an Ambassador to several cycling brands and the itcouldbeme.org group that promotes bike safety world-wide.

My cycling raises funds for children's cancer research. I have had 2 car contact incidents on Ocean Blvd. and several near misses in Market Common so I know and understand the need for safety.

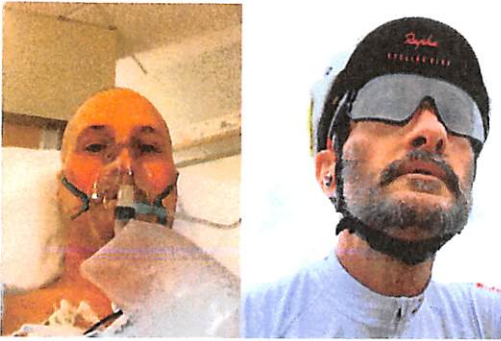

I feel that my goal of helping others to be healthy, safe, and fundraising could benefit the committee. My brands may even want to help. One of my brands, Road Runner ID, would even be willing to give a discount for their products to locals.

Thank you for your consideration and let me know if more information is needed. I am retired, live in Market Common, and am available except for the grandkid's bus stop duty..

Dear City Clerk,

I saw the city is looking for someone to join the Bicycle and Pedestrian Committee as well as the Chapin Memorial Library Board. I was hoping you could help me with some additional information to see if I'd be qualified for either or both of these opportunities.

I grew up locally and recently moved back to the beach -- I'd like to get more involved in our local community again. My resume is attached, but I'd like to write a brief cover letter for each position -- I was just hoping for a little more info first!

Thank you,
Katie
