

February 11, 2020 – 1st Reading
 February 25, 2020 – Presented for approval.

1 **2020-17 (2nd READING):** GRANTING A FRANCHISE AGREEMENT FOR
 2 OPERATION OF RENTAL BUSINESS OF CONVEYANCES REGULATED BY
 3 CHAPTER 12, ARTICLE V OF THE CODE OF ORDINANCES OF MYRTLE BEACH
 4 TO DAVID STONE D/B/A GO FAST MOTORSPORTS, SAVEMART SCOOTERS,
 5 LOCATED AT 416 6TH AVNUE NORTH, MYRTLE BEACH, SC 29577, FOR A
 6 PERIOD OF ONE YEAR. THE AGREEMENT INCLUDES 20 GOLF CARTS AND 19
 7 MOPEDS.

8 **Applicant/Purpose:** Staff/to regulate the # & location of golf cart & moped rental
 9 businesses by franchising their operations.

10
 11 **Brief:**

- 12 • After experiencing several weekends when # of moped/golf cart rentals & conduct
 13 of the operators became a serious issue, Council imposed a moratorium on increasing
 14 the # of such conveyances.
 - 15 ▪ For 2020, the franchisee requests 20 golf cart plates & 19 moped plates.
 16 These are the same # of plates as 2019.
 - 17 ▪ For 2017 the # of mopeds was capped at the # that each company had in
 18 service during the summer of 2016.
 - 19 ▪ For 2017 the # of golf carts was capped at the # each company had in service
 20 for 2016 + the # already ordered at the time the moratorium was imposed.
- 21 • Council also directed staff to work out a permanent solution w/ company owners.
- 22 • Ordinance 2017-56, approved 1/9/18 in consultation w/ the business owners,
 23 approved the framework of a franchise agreement similar to the system in place for
 24 taxicabs.
- 25 • The franchise ordinance requires annual renewals.
- 26 • No changes since 1st reading.

27
 28 **Issues:**

- 29 • Franchising allows Council to restrict the # of mopeds & golf carts available for
 30 rental, as well as the location of each rental business.
- 31 • Under the franchise terms each conveyance will be issued a City “plate” similar to a
 32 license plate. These plates would assist law enforcement to track operational
 33 violations.
- 34 • This proposed ordinance:
 - 35 ▪ Sets the location for rental conveyances.
 - 36 ▪ Sets the # of rental conveyances allowed/location.
- 37 • Agreement is for a 1-year period.

38
 39 **Public Notification:** Normal meeting notification

40
 41 **Alternatives:**

- 42 • Modify proposed ordinance.
- 43 • Deny ordinance.

44
 45 **Financial Impact:** Annual franchise fee of \$10/plate issued.

46
 47 **Manager’s Recommendation:**

- 48 • I recommend 1st reading (2/11/2020).
- 49 • I recommend approval (2/25/2020).

Dear Taxpayer:

We welcome your corporation to the State of South Carolina. The Department of Revenue is available to assist you with your annual corporate filing requirements. In order for your corporation to remain in good standing with the South Carolina Department of Revenue and the Secretary of State, we have outlined some important filing requirements for your corporation.

You have been registered with the South Carolina Department of Revenue for the purposes of South Carolina corporate income taxes, license fee (franchise tax) and annual report. You have been assigned a permanent SC corporate file number as shown above. **Please reference this number on all corporate returns, correspondence, or inquiries.** This number is unique to corporate tax returns and is not associated with any other South Carolina tax types. Failure to use this number will result in processing delays and errors in posting both the return information and any payments made for this corporation. **If the last four digits of your Federal ID listed above are missing or incorrect, please send us a copy of your federal letter, SS4, to the address listed above.**

VERY IMPORTANT INFORMATION: PLEASE READ AND RETAIN FOR FUTURE REFERENCE:

- Corporate returns must be filed as long as the Corporation's charter or authority to do business is registered with South Carolina Secretary of State. If you have discontinued your business, a final return cannot be accepted until the proper dissolution papers or withdrawal documents (foreign corporations) have been completed and filed with the Secretary of State's Office. (See dissolution information on back of this page.)
- If your corporation is dormant or you do not have any income or business to report in an accounting period, you are still required to file a corporate tax return, including the annual report (Schedule D) and pay any tax or license fee due each year by the 15th of the third month after the end of your business year.
- The annual report (Schedule D) is part of the corporate tax return.
- There is a minimum \$25 license fee due annually. This fee is paid a year in advance. For example: Income tax period ending 12-2010 would have a license fee period ending of 12-2011. The license fee is Part II of the corporate tax return.
- A corporate return must cover twelve months. The only exceptions may be your first return, your final return, or a change in your accounting period which may require a short period return.
- A short period return will be required for the following reasons:
 - **New corporation filing first return:** If you incorporated during your accounting period, you are required to file a short period return. Example - Incorporated 11/01/10 with an accounting period end of December - A short period return from 11/01/10 through 12/31/10 would be filed.
 - **Final Return:** Corporation has been dissolved - If you dissolved or withdrew your charter with the Secretary of State after your accounting period has ended, you must file a final return. Example - If you closed the business on 03/15/10 per Secretary of State and your accounting period is December, you must file a short period return from 01/01/10 through 03/15/10.
 - **Change in accounting periods:** Example - If you changed your accounting period from May to December and the last tax return was filed for May, you are required to file a short period return from 06/01 through 12/31.
- A 52/53 week return is not recognized by the South Carolina Department of Revenue. If you submit a 52/53 week return, the income period ending date must be the last day of the previous month.

Attachment B

Provide a description of the financial condition of your company including assets and liabilities.

Go Fast Motorsports LLC currently owns a fleet of over 110 golf carts. These carts are owned outright with no loan or lease. Of the total carts many have been customized and improved. The total resale value of the carts is around \$450,000.

Go Fast Motorsports LLC currently owns a fleet of approximately 100 mopeds and trikes. These vehicles are also purchased up front, assembled and maintained. The total value is \$85,000.

In addition, we have amassed a large inventory of parts to be able to fix mopeds as needed with a value of over \$20,000

We have also purchased stickers, license plates, contracts, paperwork, helmets, locks and cables, parts, and tools to be prepared for this season. The yearly cost to print city required forms, buy plates, and tags cost over 5k yearly in addition to our normal operating expenses.

We currently have revamped our logos, printed employees shirts, and have a company vehicle and multiple trailers.

We also have maintained and serviced all the golf carts over the winter, installing wind shields and rear seats, checking motors and general maintenance, as well as lights, brakes, and tires.

Go Fast has a proven track record of paying all employees on time and without chargebacks, we pay all employees by check and on the record, never cash under the table as other companies do. All federal withholdings are done weekly to adhere to the new standards.

Go Fast pays its sales tax monthly via direct draft and has no debt or liens with the SCDOR or any other agency or entity.

Go Fast has the ability to borrow money as needed or self fund with over \$75,000 in reserves in bank accounts.

Go Fast Motorsports LLC is in this current good situation from years of savings and constant growth. We have spent years reinvesting profits and hope to continue. We have strived to become THE place to rent from, giving positive experiences to the customers.

Attached is lists of VIN numbers and tags for some of our current fleet.

Attachment C

Explain why you believe that public convenience and necessity requires the granting of this application.

Go Fast Motorsports has been a popular tourist attraction since 2012, opening Sunshine Scooters in 2014 and reopening Savemart Scooters in 2019. Our company has provided the cities millions of tourist a cost effective and fun way to enjoy the beach and explore the city. Moped and golf cart rental is convenient and a necessity to the city for many reasons. Rental vehicles per hour offer some of the most fun and least expensive attractions per hourly rate of any attractions in the city, especially compared to thrill rides such as zip lines, sky wheel, ropes courses, go carts, and many other. Moped and golf cart rental allows family to be together and relax as they cruise down Ocean Drive or a convenient way to get to the beach with the kids. The goal of the city council should be to bring tourists year after year, while increasing revenue. By granting our franchise we are able to offer tourists a fun and affordable experience, we are able to hire and maintain local year-round employees and increase the tax base for the city.

With the continued increase in construction of hotel rooms, high rise condos and time share, we should expect an increase in number of visiting tourists each year. These tourists will bring additional vehicles with them. The option of renting a golf cart allows tourists to leave the car parked, reducing traffic congestion on primary roads, and take the golf cart instead. Our rental vehicles still contribute to paid parking spaces so there is no revenue loss to the city. Also, the increase in expected tourists, more heads on beds should prompt for an increase in the number of golf cart and moped permits being issued yearly. The increase for companies that need it means they have reinvested profits, hired more employees, are increasing business license revenues and paying increasing taxes yearly, a win for the city and the businesses.

In 2017 at the meetings with Mr. Pedersen and officer Lark and discussions with the city, we were allotted 186 total permits as a safe and allowable number to be shared by our 2 locations. This number represented the highest number we were issued in previous years and according to the city, this was a manageable number. In 2018, the first year of City Franchising, we were granted 150 permits, a REDUCTION of 36 units. I would like to state that this number is a SIGNIFICANT reduction from the number that we have had in years past for Memorial Day weekend. In past years we have purchased up to an additional 100 mopeds just to handle the demand for spring break and Memorial Day weekend at every location. At this time when the entire process was new and no one really knew what to expect, the city gave out numbers just by what was asked for and not based on sales, location, or any other measurable factors. This uneven distribution left some companies such as mine with too few tags for golf carts. Also, as the years pass, the demand for mopeds has decreased while the demand for golf carts has increased. Due to this and also keeping in mind the numbers allotted to all the other companies in the city we would like to slightly adjust the number of permits we are asking for in 2020. We are asking at Go Fast for 84 mopeds and 50 golf carts, an increase of 19 golf carts, at Sunshine we are asking for 25 mopeds and 20 golf carts, an increase of 10 golf carts as 20 represents the minimum number granted at all other locations, and at Savemart we are asking the same as last year, 19 moped and 20 golf cart tags. This is a total increase of 29 golf cart tags, which is less than the 36 we gave up in 2018. We feel as this is a fair and justifiable number, as we have increased our annual revenue to the city in both license fees and sales taxes. Also, we are seeing the increase in demand by families for

larger golf carts and have made the investment in such carts which provides more of what the customer wants while also helping our companies success and increased revenue to the city.

Go Fast and its other locations will now have an off-site location to store unused carts on days not as busy to decrease clutter and improve the outside appearance of our locations. Moving forward, all our service and parts will also be offsite, so we can focus on the rentals and great customer service. We have invested in larger transportation vehicles to move rental conveyances around as needed or service any broken down or out of area customers.

Go Fast Motorsports, Sunshine Scooters, and Savemart have been approved rental locations by the city for all the years during the franchise and have worked hand in hand with the city to help with the transition into decals and now plates and stickers. We have cooperated in every way and have made all adjustments to our policy and procedure to maintain all the new policy the city council has implemented. As a franchise we will continue to work the city bringing suggestions and improvements to make the overall operation of moped and golf cart rentals an asset to the city and a successful business. We strive to adhere to all the rules set forth by the city and go above and beyond to ensure a fun and safe rental experience for all. We have demonstrated this year after year to the city and have built a base of return customers yearly that keep coming back to rent from us.

Go Fast Motorsports has over 6 full time and year-round employees that depend on the continued presence of this company for their livelihood. We have an entire staff that feels as though Go Fast is family and have been with the company for many years. Go Fast also employs up to an additional 20 full and part time people in the 9-month season. We have always strived to provide excellent service, give full education the renters, we have followed all the criteria set forth by the city each year despite its continued and increasing costs to do so. We believe that we are the best company here in Myrtle Beach to rent from. We have strived to be an honest and reputable company, paying all its licensing, all sales and other taxes, and being an overall asset to the community. We believe that a tourist city that depends on tourism as its main source of revenue should always look to expand and increase all the activities that go along with the tourists. We are hoping that city council also recognizes us for that and continues grant all franchises and permits that are now needed.

My employees thank you as do I

Sincerely David Stone
