The below list is a few of the most prominent grants funded by the Myrtle Beach Air Base Redevelopment Authority to the City of Myrtle Beach over the last 25 years:

1. Converted base motor pool to MB Fire Station-\$1.8 mil
2. Grand Park ball fields-\$6.0 mil
3. Renovate Crabtree Gym-\$1.8 mil
4. Savannah's Playground-\$500k
5. Original infrastructure improvements (Farrow, Howard, Pampas, Phillis, regional stormwater system, underground utilities)-multiple millions
6. Engineering/design of iTAP utilities-\$63k
7. Seagate Village Fire hydrants (36)-\$255k
8. Water line to FAA tower-\$210k
9. Grand Park Linear Path-\$300k
10. Jack Walker (Eastcoast Greenway) Trailhead-\$50k
11. Historic signage-\$110
12. Wall of Service-\$112k
13. Painting Warbird Park airplanes-\$80k
14. Thunderbolt Park-\$200k
15. Matching funds for SC Recreation grant-\$25k

The project amounts are in round numbers and by memory but the picture is clear that the City alone would have had an impossible task of accomplishing the listed items without serious harm to its budget.
