Jennifer Stanford
City Clerk
City of Myrtle Beach
PO Drawer 2468
Myrtle Beach, SC 295787

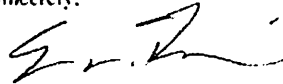

Dear Jennifer:

This letter is in reference to the Beach Advisory Committee. I am interested in becoming a member of this committee, and feel that I can be a good asset in representing our beach community. I have lived in Myrtle Beach for 36 years, and since day one have been drawn to the beaches and the ocean. I can offer this committee hands on input in relation to safety, water quality, and overall appearance of our beaches.

Enclosed with this letter you will find my resume, which includes that I am a graduate of Myrtle Beach High School, as well as Coastal Carolina University. Following graduation, I have been in the Real Estate Appraisal business locally for over 23 years, including owning and operating my own business for the past 13 years.

If you have any questions or concerns, please feel free to contact me at any time.

Sincerely,

A handwritten signature in black ink, appearing to read "Erik W. Powalie". The signature is fluid and cursive, with a long horizontal stroke at the end.

Erik W Powalie

Re: Tony Brumfield
Beach Advisory Committee

Dear Jennifer,

Please find enclosed my resume for the above referenced committee. Being a Myrtle Beach native and having 30 plus years of restoration and general contracting experience makes me an excellent candidate for this committee.

As you can see from the attached resume, I have extensive knowledge of the fire, water and mold restoration industry, including permitting and current building codes. I feel with the work performed through my company over the past 30 years, getting businesses within the community up and running after weather events, as well as my involvement throughout the community, I would be a valuable asset to the committee.

Thank you for your time and consideration. After having a chance to review the attached resume, should you have further questions or wish to schedule an interview, please contact me at 843-458-9774 or Tony@fsamb.com.

Sincerely,

Tony Brumfield

Tony Brumfield
Owner/Estimator

TONY BRUMFIELD

1440 Executive Avenue, Myrtle Beach, SC 29577 · 843-458-9774

Tony@fsamb.com

EXPERIENCE

Subject: Beach Advisory Committee

Beach Advisory Committee
Steve Taylor, Chairman

I recently learned that (2) positions will be up for reappointment on the Beach Advisory Committee. Should either position currently being held by an incumbent come available due to the desire of those not wanting to be reappointed, then I would like to be considered. Thank you for serving this City and preserving this wonderful asset all of us enjoy and sometimes take for granted. I was born and raised in the area and one of my first jobs was working for then Myrtle Beach Farms, now known as Burroughs and Chapin on the beach in front of the now torn down Pavilion. My next seasonal job was running the beach service owned and operated by the South Wind Hotel for 5 years. I am currently retired and residing with my wife, (who also was born and raised in Myrtle Beach), of 50 years at 849 Marsala Drive, (formally 5621 Pinckney Ave! I have two sons who work and also reside in the City. I obtained a Masters degree and a CFP. I proudly served my country as an officer in the USAF during the Viet Nam War. After leaving the military after serving as a Admission Counselor for the USAF Military Academy; I have worked with GTE/Verizon, as a communications consultant and a registered lobbyist; next taking early retirement after 15 year with IBM; then finishing my career as Branch Manager with the Investment arm of Wachovia now calling themselves Wells Fargo. It would be hard to fill the shoes of those that have served on this Board in the past. However, having worked literally on the beach, and enjoying going to the beach almost daily during the summer months and and at least monthly during the winter, I have a great desire to try and continue to keep and preserve this beautiful asset of ours for years to come. I would appreciate you considering me as a board member.

Respectively,
Harry McKnight
