**CONSENT AGENDA** – *The Consent Agenda covers items anticipated to be routine in nature. Any Councilmember may ask that an item be moved from the Consent Agenda to the Regular Agenda for lengthier discussion, or a member of the public may request that such an item be moved. Items remaining on the Consent Agenda will be briefly described by staff and may be passed as a group with the approval of the agenda.*

**Note:** *City laws are known as ordinances. Before a city ordinance can be enacted, it must be introduced (1st Reading) and then approved (2nd Reading). Resolutions are actions through which City Council reinforces or makes policy not rising to the level of law. Motions are related to direction from City Council to city staff to take certain actions.*

NO ITEMS LISTED ON THE CONSENT AGENDA.

### **REGULAR AGENDA**

**1<sup>st</sup> Reading Ordinance 2021-2 to rezone 1.36 acres located at 1002 29<sup>th</sup> Ave N from MU-M (Mixed Use Medium Density) to HC-1 (Highway Commercial) for the purpose of holding events.**

*Applicant is the owner of El Cerro Mexican restaurant at 1002 29<sup>th</sup> Ave N. Applicant would like to expand the use of the restaurant and hold special events, such as Cinco de Mayo celebrations; the applicant intends to utilize floor space for bands and dancing as well as charge a cover fee at the door.*

*This description is in line with the “nightclub” use in the zoning ordinance, even though the applicant has stated that they do not want to turn the restaurant into a typical “nightclub.” Applicant’s property is adjacent to two other zoning districts that allow for nightclubs: E (Entertainment) and HC1 (Highway Commercial).*

*Item was continued from the last meeting to allow the applicant an opportunity to meet and discuss this request with concerned neighbors. The meeting between the parties is/was scheduled for 2.19.21.*

*Planning Commission recommends approval as requested (7-0).*

**2<sup>nd</sup> Reading Ordinance 2021-3 to amend Appendix A Zoning of the Code of Ordinances, Article 10 Parking and Loading Requirements, to require bicycle racks in all commercial, civic, and major subdivision construction projects; and to add Appendix B. Association of Pedestrian and Bicycle Professionals (APBP) Essentials of Bike Parking.**

*This request is from the Bicycle and Pedestrian Committee. If the Ordinance passes it would require:*

- *All new commercial, civic and major subdivision construction projects to install a bicycle rack on-site;*

- Substantial renovations to existing commercial, civic and major subdivisions would also be required to install a bicycle rack on-site;
- In Zoning Districts where the use requires no on-site parking, a fee of \$600 may be paid in lieu of installing a bike rack; monies will be earmarked by the city to install public bicycle parking in the area.

*Bicycle locks and chains can damage trees, fences and benches when adequate bicycle parking facilities are lacking.*

*Required bicycle parking is new to Myrtle Beach.*

*Planning Commission recommends approval as requested (7-0).*

**2<sup>nd</sup> Reading Ordinance 2021-4 to annex 0.69 acres located at 9417 Park Dr. (PIN# 394-03-03-0001) and rezone from Horry County SF 10 (Single Family Residential) to City of Myrtle Beach R-15 (Single Family Residential) for the purpose of constructing a new home.**

*The applicant wishes to build a single family home on vacant property located in an unincorporated “doughnut hole” off Park Drive, and is required to submit an annexation petition as required to receive utility services.*

**Resolution R2021-9 to accept the dedication of certain roadways known as Rick McDow Alley (public R/W varies), Rutherford Alley (30’ public R/W), and Jenkins Alley (27’ public R/W) within the Market Common R3 parcel.**

*LUK-MB2, LLC has constructed the streets identified above within the Market Common R3 parcel. This road complies with the City’s current standards and construction requirements. Consistent with long-standing policy and practice, these streets are now ready for acceptance into the City’s street system. Upon approval these streets will be publicly owned, and the City will be responsible for maintenance going forward.*

**Motion M2021-26 to authorize the City Manager to enter into a Memorandum of Agreement (MOA) with Coastal Carolina University, Aramark, and the City of Myrtle Beach.**

*This MOU will enable the City to utilize Aramark, the food vendor for Coastal Carolina University, for food preparations and delivery during activations of the City’s Emergency Operations Center.*

**Motion M2021-27 authorizing the City Manager or his designee to apply for a grant of \$2,008,944 from the Federal Emergency Management Administration (FEMA) – Staffing for Adequate Fire and Emergency Response (SAFER) program to hire twelve firefighters for four fire companies to meet national standards, to record the appropriation of such grant funds in the amount that may be approved, and to execute and deliver the grant agreement and such related documents as may be required to put the grant into effect. No match required.**

*The Staffing for Adequate Fire and Emergency Response grants (SAFER) was created to provide funding directly to fire departments to help increase or maintain the number of trained, “front line” firefighters. The objectives of the SAFER grant program are to assist*

*local fire departments with staffing and deployment capabilities to respond to emergencies and assure that communities have adequate protection from fire and fire-related hazards. Local fire departments accomplish this by improving staffing and deployment capabilities, so they may more effectively and safely respond to emergencies. With enhanced staffing levels, recipients should experience a reduction in response times and an increase in the number of trained personnel assembled at the incident scene.*

**Motion M2021-28 authorizing the City Manager or his designee to apply for a grant of \$113,181.82 from the Federal Emergency Management Administration (FEMA) Assistance to Firefighters Grant Program for the purpose of purchasing a 22-foot aluminum fire/rescue boat with landing craft capabilities, rescue platform and 500 gpm fire pump, to record the appropriation of such grant funds in the amount that may be approved, and to execute and deliver the grant agreement and such related documents as may be required to put the grant into effect. \$11,318.18 in local match is required.**

*The objectives of the AFG program are to provide critically needed resources that equip and train emergency personnel to recognized national standards, enhance operational efficiencies, foster interoperability, and support community resilience. The match will come from the Fire Department's operational budget.*

**Motion M2021-29 to appoint/reappoint three members to the Board of Zoning Appeals.**

*The terms of James Cameron Parker (Non-Resident), Edgar Wilson (City Resident), and Allen Rene Lee (City Resident) expire on February 22, 2021. All wish for reappointment. On file are the resumes of Steven Jordan (City Resident) and Thomas Robinson (City Resident). These terms will expire on February 22, 2024.*

**Motion M2021-30 to appoint/reappoint two members to the Accommodations Tax Advisory Committee.**

*The terms of Mary B. Henry (City Resident) and Thomas C. Moore (City Resident) expire on February 22, 2021. Both wish for reappointment. On file are the resumes of Carolyn Milliron (City Resident) and Jessica Gregory (Non-Resident). This term will expire on February 22, 2024.*

**Motion M2021-31 to appoint/reappoint two members to the Human Rights Commission.**

*The term of Miriam Berrouet (Non-Resident) expires on February 22, 2021. Ms. Berrouet does wish for reappointment. That term will expire on February 22, 2024. There is also a vacant seat due to Mr. Clark's resignation. That seat's expiration will remain at February 22, 2022. The resumes on file are Tania Appel (Non-Resident), Betsy Smithdeal (Non-Resident), and Laniece Mayfield (Non-Resident). e*

**Motion M2021-32 authorizing the City Manager or his designee to apply for a grant of \$54,333 from South Carolina Department of Health and Environmental Control's South Carolina Hospital Preparedness Grant Program for the purpose of providing Threat Suppression and Tactical Medical Care training to first responders, to record the appropriation of such grant funds in the amount that may be approved, and to**

**execute and deliver the grant agreement and such related documents as may be required to put the grant into effect. No match is required.**

*Throughout the region when active shooter situations arise, response is from law enforcement, fire departments, EMS agencies and communications experts. Threat Suppression and Tactical Training for first responders has not reached all personnel that would benefit from the training. This training is specifically targeted for public safety agencies responding to active shooter/hostile events and will help bridge the gap by providing a majority of fire departments, EMS agencies, and law enforcement staff in the region training to help with a coordinated response to an active shooter event.*

**Motion M2021-33 to authorize the 9/11 steel beam memorial currently located at 29<sup>th</sup> Avenue N. to be removed and relocated to Warbird Park.**

*In 2019 Council adopted a Resolution establishing guidelines for Warbird Park. For monuments to be placed in Warbird Park, the monument should be related to the former Myrtle Beach Air Force Base or honor members of the United States Armed Forces. In recognition and remembrance of this national tragedy, that included military personnel at the Pentagon and elsewhere, staff is requesting authorization to allow the placement of the 9/11 Memorial in Warbird Park.*
