Dear City Council,

I am interested in serving on the Board of Zoning Appeals for Myrtle Beach. I served repeated terms on the Planning and Zoning Board and the Assessment Review Board for the Town of Erwin, NY. I also served 1 term on the Planning and Zoning Commission for the City of Corning, NY. I am confident that if contacted the chairman of the boards would speak highly of my contributions. I took pride in my appointments to the boards and completed all the continuing education that was mandated for those positions. I also was the Vice President of the Finger Lakes Home Builders Association. I have over 10 years experience working in the building and construction field.

Sincerely,

After working for over 10 years in the building and construction business in my home state of New York, I developed a passion for planning and zoning for municipalities. I took every bit of education I could find and served repeated terms on the Planning and Zoning Boards for the Town of Erwin and the City of Corning, NY.

I just recently moved to Myrtle Beach with my husband, Tom and my daughter, Lyndsay who is a Ninth grader at Socastee High School. We moved here because we vacationed here twice a year for as long as I can remember and we really liked it. We bought our house in a wonderful neighborhood that is still growing. When I look around Myrtle Beach I see so much growth happening, and that is why I would be honored to serve on the Board of Zoning Appeals.

Sincerely,
